Greetings Team Corvette!!!

The New Year as definitely brought Team Corvette some challenges, and together we have faced them head on! We simply could not have taken the club to where it is today without our members. It because of you, so many people have stepped up to make this club fun and exciting once again. So I say thank you!

I am humbled to be the 2017 President of Team Corvette and I do not take this position lightly. As many President's before me, it is my responsibility to maintain integrity of Team Corvette along with making sure each and every member has a voice as to the direction of our club. If for any reason, you disagree with the direction the club is heading or my leadership, please do not hesitate to speak to a board member or call me directly.

I would like to take a moment to thank the new Board for their support, direction and patience as I grow into this position. I look forward to working with each and every one of you over the next calendar year. It is your dedication to this club that has moved us past some unfortunate hurdles resulting in the success of Team Corvette.

As many of you know, we have a new sponsor for 2017. Andy Suski from Suski Chevrolet Buick has openly agreed and looks forward to being Team Corvette's sponsor going forward. Andy is truly a car enthusiast and owns both a 1954 and 1957 Corvette amongst many others. Andy started our meeting with a warm welcome and instantly wanted to know what models of Corvette's we each own. To look around his office, you can really see that he is not simply a dealership owner, but a true lover of Chevrolet and Corvette's! Andy has left the door open for whatever we reasonably need, including a Car Show in his parking lot. Suski Chevrolet Buick is located at 8700 Main Street in Birch Run, Michigan. If you ever get a chance to visit the dealership, have Jack or one of his colleagues take you for a tour of the dealership, you won't be disappointed!

As many of you, I am looking forward to warmer weather, which can't get here soon enough!! As of right now, our schedule of events is a little lite and we could use some input from our membership to get 2017 going. Tentatively our "Get Your Car Out of Hibernation" is May 6th, 2017. However we could really use some ideas for some events. If you have an event or gathering that you feel the club would enjoy, please send your ideas directly to socialdir@teamcorvette.org. If you haven't heard, we have secured our Fall Color Tour with the thanks to John Schoenfield. Late last year John traveled to Garland Lodge and Golf Resort with the hopes of securing Team Corvette a fall color tour in the Lewiston and Grayling areas. Not all the details have been worked out; however I am sure it will be a beautiful time nonetheless! To book a room, please contact Brenda at 989-786-1405, let her know that you are part of the Team Corvette Fall Color Tour and she will get you taken care of.

Some final notes for our members. The first quarter of 2017 will still present a few challenges as we continue to work through the some unresolved issues. We will do our best to keep the membership informed as to our progress, however there will be times that open discussion regarding our progress may need to be held at the board level until we obtain the results the membership is looking for. In the meanwhile, I look forward to seeing you at our next membership meeting and let's pray for warmer weather... SOON!

Mark Lozen, President
