Greetings Team Corvette!!!

Is anyone ready for warmer weather yet? Burr, what a winter we have had!! Hopefully that last winter storm is behind us. I am so ready for spring to arrive and getting our cars out of hibernation! I would like to take a moment to once again to thank our membership for the trust you place in me and the board that serves our membership. In addition, I would like to thank the 2017 Board for their service and commitment to Team Corvette as I welcome in the 2018 Board.

And to our sponsor, a very special thank you to Andy Suski and the Suski Chevrolet Buick team for your continuing support and sponsorship. As I reported in our January membership meeting, Mike, Jack and I met with Andy to make sure he was onboard with sponsoring Team Corvette for 2018, and he said absolutely! He couldn't be happier with our relationship!

My first item that needs our attention is the Team Corvette car show. Again, this year our car show will be held in the parking lot of Suski Chevrolet Buick in Birch Run on May 19th. Again this year, Andy has requested that this be an "All Car Show". He has even offered to open up the Birch Run Speedway and Event Center for those folks that would like to take their car around the track once or twice. We do however are in dire need of volunteers to help collect raffle prizes, parking, 50/50 ticket sales, registration, setup / teardown, and signage. If you think you can help out, please contact Mike Lysher ASAP. He could use all the help he can get.

Our first club trip will be a mystery cruise and dinner led by Renee and I on April 21. I can only pray that weather permits us to get our cars out for a quick cruise and an awesome dinner.

This year we are taking a twist on getting our cars out of hibernation. On May 12th we will be traveling to Holland, Michigan for their annual Tulip Time. Our plans are to leave Angelo's Famous Coney Island on Grand Blanc Road the morning of the 12th, travel to Holland, enjoy the festivities, then travel to Muskegon to the Shoreline Inn and Conference Center for dinner and drinks. For those who would like to stay the night, room rates are \$100 for prepaid through their website.

I would like to thank Sue and Bill Prince for hosting our "Wisconsin Dells Planning" meeting in their home on March 18th. Please let me know if anyone is interested in joining us.

On June 29th, Team Corvette will once again be the featured Corvette Club of the Davison Car Cruise. We will be meeting in the Kroger parking lot and then entering downtown by 6 p.m. A Whoozin will be sent out with more information.

Lastly, I would like to remind our members take advantage of the "Suski Bucks" that Suski Chevrolet-Buick provides our members. To get more details on how this program works, please contact Jack Matsko directly!

	<p>In Remembrance of John Schoenfield</p> <p>You never said "I'm leaving" You never said "goodbye" You were gone before I knew it, And only God knows why.</p> <p>There are no words to tell you Just what I feel inside The shock, the hurt, the tears Might gradually subside</p>
---	---

If you don't mind, I would like to share a few of my memories of our friendship, the respect I have for John and maybe a funny story or two.

John and I met roughly 5 years ago when my Renee and I joined Team Corvette. I remember meeting John during one of our first club meetings where he introduced himself as the oldest person in the club. I didn't really know what he meant at that time, however we later found out it was because we were then the youngest couple in the club.

Over the course of the next few years, John and I spoke often at various club events where he shared stories about his travels all over the US. This man has been EVERYWHERE!!! There wasn't a place I couldn't ask him about where he couldn't tell me a story about some trip he took, whether it be in his GMC motorhome, his jeep or in one of his other cars, he simply loved to travel!

As many of you know, John went through open heart surgery on November 30th, 2016. During his recovery time, I visited him as much as possible while he was going through his rehab. It was during that time our friendship became a little more personable. Just before he was released from rehab, I asked him to be our Social Director, which he gladly accepted. I figured with all of his stories and places he had traveled to, that this should be a hoot!

As our friendship grew, and he got my cell phone number, I would often get a call where he never said hello, it would always be a quick "hey boy, what you doing" and I would reply "hey old man, working as usual" what's up? We would both laugh for a moment or two, then go about our conversation. One conversation that sticks out in my memory is the day John received his "Bronze Star" some 64 year later after his service in the Army. I was extremely touched that he shared that moment with me. Later that day, we celebrated with some pizza and beer... and more stories.

Another memory that I am sure all of you can relate with, I found out that John was Houdini. He would be right there talking to you one moment, and in the next he was gone. No good-byes, no see you later, no I got to go, no nothing. At first it made worried me that I may have said something wrong, but I learned that it was his way of doing things. It wasn't personal, when he had enough, he had enough.

To say John lived life to the fullest, his way and on his terms would be a complete understatement. Thanks John for being part of my life. Not sure he ever knew how much our friendship meant to me.

Peace be with you!
