

April 2019

From C-1 to the not released yet C-8 Corvettes look great!! We still do not have any official photos yet of the C-8, only speculation like the rendering from Automobile Magazine below. It has been reported that some dealers are taking orders already. Several auto shows have come and gone but no C-8. The Corvette Museum caravan in late August is the next guess for an official release.

Is it Spring yet??!

It was nice to see some of our members had the opportunity to get their cars out of hibernation early. So glad the light dusting of snow we received on the 31st didn't accumulate a lot.

If you missed the dinner at Black Rock Bar and Grill, you missed an awesome time. This was our first outing this year and we had 34 members show up for dinner, drinks and desert! We would like to thank the staff of the Black Rock for their awesome accommodations! We will be back!

Our next Team Corvette outing is April 6th at 12:30p, where we will be going on a "mystery tour" and dinner. For those who have not had a chance to go on one of these, they are fun! No one but the organizer knows exactly where we are going... we normally meet at a designated location then caravan down to a restaurant where we have dinner. I am so looking forward to seeing where Kerry and Jerry have in stored for us! Don't forget your radio's so we can communicate between cars during the tour.

So, how many of you have had a chance to start dusting of your car? Are you ready to get your car out of hibernation yet? If so, our annual "Get your Car out of Hibernation" this year will be an overnight event. To my knowledge, Kerry and Jerry Garner will lead us on this event. Kerry informs me this year we will be travelling to Auburn, Indiana to the "Home of the Classics" at the Auburn Cord Duesenberg Automobile Museum. Kerry still has a few things to iron out, however if you plan on attending, please get with Kerry to get hotel reservations.

As I mentioned last month, we have elected to move our car show back to June where we have a better chance of nicer weather. Once again our car show will be held at Suski Chevrolet-Buick in Birch Run. This year we are shortening the car show time from 10 a.m. to 3 p.m. We are looking for volunteers that could collect door prizes as our giveaways during the car show. If anyone is interested in helping out, please contact Jerry Gardner.

If you intend to participate in the 2019 caravan to Bowling Green, KY for the National Corvette Museum for the 25th Anniversary, I would suggest you get a hold of Jim Schoenfield. Jim can connect you with our region leader, Larry Courtney. To my knowledge Larry still has rooms available.

Every year leading into Labor Day weekend the museum celebrates their Grand Opening, which was opened in 1994, by hosting a participant focused event. This year, the museum marks its 25th Anniversary milestone. This year's event will focus on the diversity of the people that the Corvette has brought together with a look back on the Museum's history while looking forward to the future! Let us pray that the 2020 C8 will be on display by then.

Lastly, please send prayers towards our former president and friend Jeff McDonald who underwent open heart surgery just over a week ago. Marsha McDonald reports that Jeff is now at home, resting well and doing much better. If you have a chance, let them know that we are thinking of them and wish Jeff a speedy recovery!

Mark,
President

Social Director Report By Kerry Gardner

The Mystery Tour is on April 6th. We're meeting at the old K-Mart lot in Grand Blanc, 12730 S. Saginaw St. Leaving promptly at 12:30. Bring your radios. Corvettes drive in the front if you have yours out yet.

Get your car out of hibernation, May 4th & 5th. Meeting at the Fenton High School parking lot on Donaldson Dr. Owen road exit from 23 expressway. Leaving promptly at 9:30 am May 4th. We will be visiting the Auburn Cord Duesenberg Museum 1600 S. Wayne Street Auburn IN. This is just 170 miles from Flint and could be done in one day if needed. The Museum is in the original Auburn Automobile Company Administration Building. The museum opened in 1974

Team Corvette fall color tour returns to the Traverse City area this year. Tim Stone is all over the planning of this event. Tim has contacted our old friends Gregg and Gin who live in the area. They have found neat places in the past and are looking forward to our arrival this fall.

For anyone who wants to go on the Fall Color Tour, and may have had difficulty getting a room. We do have 3 more rooms reserved, and the Cherry Tree Inn said they will make more available if they open up from remodeling. My suggestion would be to just call and talk to them.
