August will be a busy month for Team Corvette members and our friends. I look forward to seeing each of you at our upcoming events and the next membership meeting.

Speaking of membership meetings... the August membership meeting will be held on the 13th at the Flint Golf Club. Once again we will be parking on the grass behind club. Cars can start arriving at 4:30 p.m. Keep in mind, this is when we take our annual membership photo and we would like to see all of our members in this photo! During our membership meeting we will be honoring those members that have been with the club for 20 years. Thank you Jim and Dee for continuing to arrange to have our meeting at the Flint Golf Club.

On August 14, 2019 at the Great Lakes Plaza located on the corner of Atherton and Saginaw Streets, will be our "Appreciation Dinner" where we welcome anyone who owns a Corvette to join us for dinner and desert while watching the first night of the "Back to the Bricks" rolling cruise from downtown Flint to Grand Blanc. Last year we had an awesome turn out of cars, we need to keep the tradition going by letting anyone who has a Corvette know of this event. Parking will begin at 3:30 p.m. with a DJ begin at 5:00 p.m. Team Corvette will provide chicken and corn on the cob. We ask each member attending to bring a dish to pass.

Like last year, we are asking for all non-members of Team Corvette to contribute a small donation to offset some of our cost for the chicken and corn on the cob. We will be hosting a raffle table full of prizes. We are looking for a few volunteers that would be willing to manage the raffle table and tickets, the DJ will announce the winners. And lastly, we will have a 50/50 as we have done in the past. If you have any questions regarding what may be needed, please contact Marge or Dee on their cell phones.

Let us not forget about Friday, August 16th as Brick Street of Grand Blanc host another "Corvette's at Brick Street. All Corvette's can park on the restaurants front lawn area. Come join us for some great food, drinks, conversation and entertainment out on the patio. Party starts at 4 p.m. Can't wait to see all of our friends from other clubs!

I know this information is a little early, however I want to make sure all of our members have a chance to plan. Our September meeting will be held at the White Horse Inn in Metamora. Details about the meeting will be announced at our August membership meeting.

If you like Black Rock in Davison, Kerry and Jerry have arranged another trip to Black Rock for September 17. Stay tuned for more details.

As a reminder, if you intend to participate in the 2019 caravan to Bowling Green, KY for the National Corvette Museum for the 25th Anniversary, I would suggest you get a hold of Jim Schoenfield. Jim can connect you with our region leader, Larry Courtney. To my knowledge Larry still has rooms available.

Thank you and Happy Cruising!!!
Mark,
President

Team Corvette Members Line Them Up For The Start Of The Summer Mystery Cruise

August 2019

Mark and Renee Lozen put together the summer Mystery Tour this year. They had a great turnout and super weather. The cruise landed in Lansing at the Capital Prime Restaurant. All great cruises must have an ice cream stop.

Looks like Tim had his hand full !!

The poster features a central graphic of a brick wall with a large, stylized Corvette logo in the center. Above the logo is an archway that reads "BACK TO THE BRICKS" in red, with "FLINT VEHICLE CITY" in smaller text below it. The words "CORVETTE REUNION" are written in large, metallic letters across the archway. Below the archway, two Corvettes are shown: a classic silver and white 1960s model on the left and a modern silver C7 model on the right. The word "Last" is written in a large, stylized font on the brick wall between the two cars. At the top of the poster, the text "10TH ANNUAL" is displayed in white, followed by "FLINT, MICHIGAN" in smaller text. Below this is a large, stylized "CORVETTE REUNION" logo with a checkered flag and a Corvette emblem. On either side of the central logo are two circular trophies. The left trophy is labeled "TROPHIES AWARDED Best of Show" and the right trophy is labeled "TROPHIES AWARDED Top 75". At the bottom of the poster, the text "Team Corvette • Flint Corvette Club • Rainbow Corvette Club • Trend Settas Corvette Club • Corvettes of Distinction • Drago's Corvettes" is written in a curved banner. Below this banner, the date and time "SAT. AUG. 17, 2019 • 6AM - 4PM" are displayed in large, bold letters. At the very bottom, there is a section for sponsors, contacts, registration fees, and a website link.

It's that time of the year again, The Corvette Reunion and Back to the Bricks.

There will be many events and cruising on Saginaw Street again this year.

Have a great time but please be careful.

Sue and I were out west on a trip and could not attend the picnic. It was reported that everyone was having such a great time eating, playing golf or just visiting that no pictures were taken. I did receive the following report from Gary Drago.

The Corvette Reunion held an all Corvette Club picnic on June 30th to celebrate our 10 years of the reunion and to thank all the folks that assist in putting the CR on each year.

The picnic was held at Holiday Shores RV Resort in Durand. What a beautiful location and hall to hold the event. Thanks to Craig Palmer for securing the venue.

The menu was pulled pork, baked & fried chicken, green beans, lots of salads and all the fixings, soda and coffee. I am sure no one went home hungry.

I want to thank VG's of Davison and Master Cook Bill and assistant Loren for the great job preparing all the food for our party. I also want to thank all the club members that assisted in set up, tear down and clean up. We had approx. 75 attendees and I believe a good time was had by all.

Clubs and Family Represented were, Team Corvette, Flint Corvette, Trend Settas and Corvettes of Distinction. The Rainbow Club was out of town and unable to attend. We also had invited guests from Capitol City and CCM.

Due to an oversight on my part we forgot to take any pictures of the event, it's an old man thing with CRS.

Thank you ALL! Drago
