Good day Team Corvette!!!

Happy New Year Team Corvette!!

I trust all of you are well and trying to stay warm in this frigid weather! I really thought that we were going to have a mild winter until the most recent cold spell and all this snow we received.

If you missed our annual Christmas party at Brick Street, you missed an awesome time. This year Jim and Dee really out did themselves, the food was awesome, the atmosphere was warm and inviting, and most importantly the friendships we embraced made this Christmas party a family affair.

In our first meeting of the year, we touched base the changes to the Social Directors position. Kerry Gardner gladly accepted the position, however she will be looking for volunteers to take a social event each month. Nothing complicated or fancy, just an event where we can drive our cars and enjoy each other's company. I believe all of our major events are covered and have volunteers;

1. Jerry and Kerry are taking the lead on our annual car show, however they will be looking for volunteers to help collect our giveaways.
2. Tim Stone is taking the lead on our fall color tour. I can't wait for the dry runs on this one!
3. Jerry and Marge are taking the lead on our November Thankful Feast.
4. Jim and Dee are taking the lead on our Christmas Party for 2019.
5. Renee and I will be taking our first mystery tour
6. And I believe we have someone who is taking the lead on our annual "Get your car's out of hibernation"

We would be looking for some fill in events, whether that be an Ice Cream social or a road trip to caravan down to a dinner and drinks. If you are interested in volunteering, please see Kerry so she can coordinate communicating the information to our members.

I would like to welcome all of our new members! This year we are starting off the new membership year with 57 members. I believe this is the highest membership we have had at the beginning of a calendar year in some time. Oh the behalf of the Board, I welcome all of our members! We look forward to sharing some great times together!

As reported in our January meeting, one of our former members passed on December 30, 2018. Richard Wendle became a member in mid-2017 and participated in our fall color tour at Garland Lodge and Golf Resort. After speaking with Richard's family, Richard loved Corvette's, especially red ones and John Deere tractors. Our prayers are with him and his family during this difficult time.

Lastly, I would like to quickly mention that we have a few members that have recently fell sick or been hospitalized for various reasons. I asked each of you to take a moment to reach out to our members and friends to let them know we are thinking of them and hope they get well soon! We miss them!

Mark,

President
