Happy New Year!

Let's hope 2021 is better than 2020, although not much will be changing anytime soon.

Our charity donations have concluded. Habitat for Humanity received $580 in cash, plus $1700 in bottles for a total of $2280. Old Newsboys received $1600 in cash. We also delivered toys to Old Newsboys. Thanks to everyone again for going above and beyond this year for our charities. Your generosity is deeply appreciated.

Team Corvette was asked to help Old Newsboys in their newspaper drive on December 11th. Mark Lozen and employees from Structured Technologies took on this task and did a great job. Thank you Mark and your employees, and I understand that you collected a lot of money for Old Newsboys.

A couple of business notes to mention: 1) Mary Hall, Dee Schoenfield, Mark Lozen and myself met at Dort Federal on December 10 to transfer the treasurer's responsibility from Dee to Mary. We did meet and that task was accomplished. 2) I will be sending out a request for 3 volunteers to meet in January to audit the financial information. This is a yearly task that must be done to complete the transfer of the treasurer's responsibility.

Board members will be meeting on line for January and February and hopefully we will all be able to be together again in March. We'll keep you all informed. In the meantime – Stay safe, stay healthy and get vaccinated when you can!

Guests:
New Members since last Newsletter: 2
Honorary Members: 7

Welcome new members Phil and Lisa Elder. They are from Durand and buzz around in their 1973 or their 2003 vette.

Former member and past President of Team Corvette, Hurld Frechette Jr. passed away December 2. Our sympathy to Sandy and the Frechette family.

Team Corvette Brings The Toys

Team Corvette President, Jerry Gardner, left and Vice President Jim Schoenfield, right present Tony Tucker, Executive Director of Old Newsboys our collected toys.

Team Corvette members also donated $1600 in cash to help out this year.

The Old Newsboy of Flint started in 1924 and was able to give presents to 210 kids the first year.

The need is still great almost 100 years later.
