

November 2017

Jim Schoenfield put together one last outing with our Corvettes for 2017. The weather report looked great. The call to drive and eat went out to all. Several of our members answered the call. The rest of us wish we could have gone.

Good day Team Corvette!!

NO!!!! Not colder weather!! I don't want to put my car away! Unfortunately that season is upon us and regretfully it's almost that time to tuck our cars away for the season. I am hoping that we have a few more days of this Indian summer so we can get a chance to take one more cruise!!

I would like to thank Michael Lysher for taking over the October meeting for me. I had an emergency out of town issue I had to attend to which prevented me from being there! From the pictures I was sent, it looks like I missed a lot of fun! I hear even two people who normally do not dress up for Halloween did, but I won't mention any names, they know who they are.

For those who were unable to attend our October membership meeting, our 2018 Board of Directors election was held. I would like to thank Kerry Gardner, Jim Vroman and Bill Vollmer for being our 2018 election committee.

As reported to me, the results of the election is as follows;

President ~ Mark Lozen
Vice President ~ Michael Lysher
Secretary ~ Marge Laird
Treasurer ~ Dee Schoenfield
Membership Director ~ Susan Prince
Member at Large ~ Jerry Laird and Tim Stone.

I hear we went on our last Team Corvette cruise on Saturday the 21st. The group of cruisers left the former Kmart parking lot at 2:30 p.m. and traveled down to Berkley to the Vinsetta Garage. From the photo's I have seen on Facebook, looks like the group had a fabulous time! With that being said, we are looking for suggestions for the 2018 cruise year, along with volunteers for special events. If you have any suggestions that you would like to do, even through the winter months in our metal cars, please let me know! I would like to fill the calendar with events!!!

Team Corvettes annual Thankful Feast will be held on November 4th, 2017 at the Grand Blanc American Legion, Social hour will start at 4:00 PM with dinner following at 5:00 PM. Please contact Marge Laird for the ongoing sign-up list for food, we are asking each family to bring a dish to pass. We would really like see all of our members who can attend come out and join in the fun, laughter and good food!

I would like to quickly mention that we have a few members that have recently fell sick or been hospitalized for various reasons. I asked each of you to take a moment to reach out to our members and friends to let them know we are thinking of them and hope they get well soon! We miss them!

The 2018 membership dues are now payable. They are due by the December meeting. A one month grace period had been added in our new By-Laws that went into effect 06/20/2017. If you are leaving town for the winter season, we hope that you will renew your membership before you leave. If you need a renewal form, please do not hesitate to contact me, Dee Schoenfield, print one from our newsletter or visit our website in the member's only area.

Lastly, as I mentioned on the September membership meeting, we are looking for alternative ways to generate money for our charities. Jim Schoenfield suggested that we sell Poinsettia's during the holiday season. When Jim coached hockey, he used this to generate funds for the hockey team to cover unbudgeted costs. It's probably late to get into the game this year, but we are trying to plan for the 2018 calendar year.

Comments by and to the editor

We will be collecting toys for the Old News Boys at our November 21st meeting. The Flushing High School Student Council Members are helping to collect this year also. Some of their group will be at our meeting to join their collection with ours. Lets be sure Chris needs a **big** truck to take all the toys with him.

Jim and Dee suffered a flat tire that could not be fixed while on the 2017 Color Tour. They had run flat tires that allowed them to make it back to the Lodge. The question of run flat tires came up. Gary Drago was the one I questioned. "I always tell people if your vette came with run flats (EMT) tires replace them with run flats". It would have been a long flat bed ride without the run flats. The closest tire was in Flint.

Jerry “The Floor” Gardner, Kerry “Pinterest” Gardner , Jan “The Flagman” Matsko, Jack “Mario” Matsko, “ Sheriff” Clay Hexton and Jane ” Annie Oakley” Hexton dress up for our October meeting.
