On September 24th Team Corvette members held a short cruise to The Signature Chop House in Flushing. The owner greeted us and his staff provided a great dining experience.

Thanks for your support of our Charity Car Show.

Exhaust Fumes

Comments by and to the editor

Another cruising season is coming to an end. They appear to fly by faster each year and the wait for the next season takes longer. The calendar has been full again this year, thanks Kerry and others. Our unofficial motto of Drive, Eat, Repeat still fits.

The fall also brings us to our annual elections for our Board of Directors positions. Lets all thank our current board for their leadership this past year. Several are term limiting out of their current positions. We are able to support our charities again this year and the club is on sound finical footing for next year.

Several important club positions are appointed, editor, social director, museum ambassador just to name a few. Anyone interested in filling one of the appointed positions contact a board member for consideration.

October is HERE!!! and it's getting cold quick!

I would like to apologize to the membership for this newsletter being so late. I have been overwhelmed with personal and business related activities that this continues to slip my mind.

Whoop!! Whoop!! What time of the year is it?? That's right, it is Fall Color Tour time!!! This year we will be traveling to Traverse City where we will stay at the Cherry Hill Inn and Suites right on the bay. Tim Stone has teamed up with Greg and Jenn Knorr to setup our day trips and places for us to visit and eat. On Thursday, October 3, 2019 we will start off at the Blondies on Hill Road at 11:00 am to travel to one of our favorite places, Kal-Ho in Kalkaska. Then onward to Traverse City where we will begin another fabulous time traveling many back roads and absorbing the scenery. I understand we will more than 12 cars this year! If you have time, come join us!

Our September meeting was held at the White Horse Inn in Metamora. During our September meeting, nominations for the 2020 Board of Directors were closed with the FINAL people being nominated.

President ~ Jerry Gardner

Vice President ~ Jim Schoenfield, Clay Hexton

Treasurer ~ Dee Schoenfield

Membership Director ~ Susan Prince

Member at Large ~ Tim Stone, Jack Matsko, Marsha Kelley, and Marge Laird

We will be holding our general election at our October membership meeting. We would like to see as many of our members attend this meeting to cast their vote. If you cannot attend and wish to vote via absentee ballot, you can download an absentee ballot from the member's only section of the Team Corvette website. ***Editor note: Bylaws Article IX, section VII, A three person election committee chaired by Jim Vroman will handle all requests for absentee ballots by e-mail, contact Jim at jivroman5574@charter.net. Ballots can be mailed to Team Corvette P.O.Box 415 Grand Blanc 48480 or e-mailed back to Jim.*** Remember that all ballots must be received one week before our October 15th, 2019 to be counted. Elections will be held before the break and raffles. This will allow time for the election committee to count the votes and report during the old business section of our meeting.

Our Thankful Feast will be held on November 9th at the American Legion Hall in Grand Blanc. Our event coordinators for this event is Marge and Jerry. Marge will have a signup sheet for everyone who is attending to bring a dish to pass.

Keep in mind that your membership dues are to be paid by our Christmas Party which is being held on December 6th, 2019 at Brick Street in Grand Blanc. If you need a renewal form, please do not hesitate to contact Sue Prince, Dee Schoenfield or me.

Lastly, I would like to remind our membership that October also means Halloween! Come dressed in your favorite costumes and let enjoys some laughs and sweets during our break time! Looking forward to seeing what you all can conjured up!

See you soon!

Mark,
President

Team Corvette members located our brick at the Corvette Museum while on the 2019 Caravan. The brick has lost some of our slogan and needs repair.

Bill Vollmer, our Museum Ambassador, is working on this project and will present our options at an upcoming meeting.

Several members have purchased bricks to aid the Museum in the past. Bricks are still available, and might be able to be placed near our club brick.
