## President's Page

Hello & Welcome to June!!

Hopefully, now that warm weather is here and Covid is slowing down we'll be able to enjoy cruises and dinners again. We had 22 members who participated in our "Get Your Car Out of Hibernation Cruise". We enjoyed a scenic 60 mile cruise that ended up in Frankenmuth with a delicious chicken dinner at Zehnder's. Thanks to Jim and Dee Schoenfield and Marge Laird for making the arraignments and planning the route. It was nice to be back together!

Please keep in mind that whenever we have events, we need an accurate head count....even for our meetings because restaurants have limited capacities right now. We realize that circumstances can change. We just need to know if you can (or can't) make it. That also applies for our cruises. The persons running the cruise have a time line to follow because the restaurants are expecting us at an appointed time. If we're waiting at the start for people that are no-shows; that puts everything late. No one likes to leave if someone is missing either, so if things change and you're not coming – please just notify the person in charge. We will make sure that everyone has the phone number of the person planning the event. We want to have as many members as possible attending. The more the merrier!

Thanks to those who attended the May meeting at Brick Street. Also, thanks to all who brought donations for the car show raffle. If you still plan on donating and/or volunteering to help that day: please contact Mark or myself. Also, we do still have some car show fliers, if you need any to pass out.

My thanks also to Bob & Mary Hall for the raffle table items. The cookies we got were delicious! I believe Marge & Jerry Laird will have the June raffle table.

Sadly, we are saying goodbye to Al & Lynn Steiger, as they are moving to Georgia early this month. We have enjoyed getting to know them, and wish them the very best in their new adventures. Hopefully, our paths will cross again somewhere.

Thank you,

Jerry
