**Board Meeting Minutes** September 14, 2022

**By:** Cheryl Vollmer

**Meeting Location:** Bill & Sue Prince's home

Meeting called to order at 7:05 p.m.

**President:** Tim thanked everyone for coming and thanked the Prince's for hosting the meeting at their home.

The next board meeting will be 10/12, Kerry will check and see if Brick Street is available. Tim will be out of town for the general meeting 9/20, Jerry will be acting president for the meeting.

Tim asked when the club would get the \$500 seed money for B2B Corvette Reunion back; answer was that we normally have it before the end of the year. Andy hasn't paid his yearly monies yet. Tim has a receipt for payment to the DJ that was at the appreciation party.

Tim has a conflict with the fall color tour and will now be leaving Traverse City on Friday. Greg Knorr will lead the tours both Friday and Saturday. On Thursday the group will be stopping in Frankfort for lunch and then stopping in Glen Haven at the lighthouse after lunch. InOrOut emails were sent out so Tim has an idea of how many people will be joining for lunch and dinner on Wednesday and Thursday.

The second round of nominations for 2023 board positions will be at the general membership meeting next week. Currently there are no accepted nominations for president. Bill Prince said that according to the bylaws there doesn't have to be a full board and the vice president would be the acting president. The board would then have to find a president. We will need to have three people volunteer for the election committee at the meeting on 9/20.

Members who wish to do so may wear Halloween costumes at the October general meeting. Remember to bring toys for Old Newsboys to the November general meeting. October general membership meeting 10/18 @ Mario's.

**Vice President:** Jerry asked what happens to the meeting paperwork, and all the stuff from the car show such as the signs, goodie bags, etc. Some of the paperwork should be passed on to the new board members, not everything needs to be kept. Bill V. will get with Jerry to pick up the car show stuff.

Mark will print up the appreciation certificates for the car show donors.

**Treasurer:** Mary was absent, Bob reported income, expenses, and current balance to date. Kerry made a motion to accept the treasurer report and it was seconded by Dee, motion passed.

**Secretary:** Cheryl asked if there were any updates or corrections to the August board and general membership meeting minutes. Sue made a motion to accept the minutes as written and Kerry seconded, motion passed.

**Membership Director:** Kerry will notify Habitat for Humanity and Tim will notify Old Newsboys to come to the November general membership meeting for the checks and toys.

**Members at Large:** Bob and Sue had no report.

**Social Director:** Dee will look into places to have the Christmas party.

**Editor:** Bill Prince said all is well with the newsletter, he is now sending 8 hard copies out.

**NCM Ambassador:** Bill Vollmer - The Last Chevy Corvette L88 Ever Built Sells For \$631k - The Corvette L88 received the National Corvette Restorers Society Duntov Mark of Excellence Award in 2015. It has also been awarded the Muscle Car and Corvette Nationals Triple Diamond Certification, Bloomington Gold Certification, and has been selected to the Bloomington Gold Collection. In 2018, the L88 traded hands yet again. The new owner had the Corvette refinished in its original hue of Riverside Gold. It is equipped with all the mandatory equipment, as well as black vinyl upholstery, N14 Side Mount Exhaust, and the M22 close-ratio four-speed manual transmission. It shows just over 14,600 miles.

**General Meeting Minutes** September 20, 2022

**By:** Cheryl Vollmer

**Meeting Location:** Mario's

Meeting called to order at 7:05 p.m.

**President:** Tim was absent; Jerry officiated the meeting. Jerry welcomed and thanked everyone for coming.

The next board meeting will be 10/12 @ Brick Street.

Reminder to bring toys for Old Newsboys to the November 15 general membership meeting. If you bring toys, mark off the barcode so that they don't get returned for money.

Old Newsboys and Habitat for Humanity will be receiving their checks that night also. Habitat may not have anyone that can come to the meeting.

Mary will ask Gary Drago about the seed money. A check was received for Andy's yearly support.

Thanks to Jim Schoenfield for the InOrOut emails regarding the fall color tour. There will be a stop at the Sleeping Bear Inn and Lighthouse after lunch in Frankfort. Tim will be driving the route on Monday 10/3 and will send out an email to update the group of any time or route changes etc. Dee made a motion to spend \$100 for a gift card to give to the Knorr's in Traverse City, Marge seconded; motion passed. Bill Prince made a motion to buy the Knorr's dinner Saturday night in Traverse City, Kerry seconded; motion passed.

Need to find out who has the debit card.

Two new members joined at the meeting, Bill and Chris Penzer. They have 4 Corvettes, 2 running and 2 in their barn. They drive their 1961 and 2016, the 1962 and 1970 are in the barn and need work.

Second round of nominations opened:

**President:** Bill Vollmer (Bill withdrew his nomination for vice president).

**Vice President:** Paul Kelley accepted the nomination.

**Treasurer:** Mary Hall accepted the nomination.

**Membership Director:** Al Weselowski and Bev Wiley accepted the nominations.

**Members at Large:** Bob Hall, Jack Matsko, and Sue Prince accepted the nominations.

**Secretary:** Cheryl Vollmer accepted the nomination.

Kerry made a motion to close the nominations for the 2023 board members, Marge seconded; motion passed.

The elections will be at the October general membership meeting 10/18. There are 2 positions to be voted on, membership director and the members at large positions. The election committee will be Bill and Chris Penzer and Jerry Laird. Anyone needing an absentee ballot should request it from Bill Prince. The completed ballot should be sent back to Bill Penzer or Chris Penzer.

October general membership meeting 10/18 @ Mario's will be election night and wear Halloween costume if desired.

**Vice President:** Jerry was looking for a status on the certificates for the car show donor, but Mark was absent.

**Treasurer:** Mary reported income, expenses, and current balance to date. Marge made a motion to accept the treasurer report and it was seconded by Dee, motion passed.

**Secretary:** Cheryl asked if there were any updates or corrections to the August board and general membership meeting minutes. Dee made a motion to accept the minutes as written and Marge seconded, motion passed.

**Membership Director:** Kerry reported on the September birthdays and anniversaries. With the 2 new members tonight we have 68 members, and 6 honorary members. There were 37 members at the August meeting.

Greeting Team Corvette members!

Fall has officially arrived, and the weather right now leaves no doubt. Hopefully we will get some clear crisp days that are so great for taking our cars for a ride, especially on the upcoming Fall Color Tour.

Thank you, Jerry Gardner, for running September meeting in my absence, I appreciate you!

Thank you to all members that have accepted nominations for our board next year! And thanks to the election committee as well!

Don't forget your costume for the October meeting. We have had many awesome outfits over the years. Also please keep in mind for November meeting to bring a toy, or donation to provide to The Old Newsboys. At the same meeting we will be presenting our donations to each those organizations we support: Habitat for Humanity and Old Newsboys.

Next Board Meeting is Wednesday October 12 at Brick Street 5:30pm. Thank you Kerry Gardner for setting up. Next General Meeting is Tuesday October 18 at Mario's.

Looking forward to seeing you all soon!

Tim

**NCM Ambassador:** Bill Vollmer - The Last Chevy Corvette L88 Ever Built Sells For \$631k - The Corvette L88 received the National Corvette Restorers Society Duntov Mark of Excellence Award in 2015. 2023 Corvette Stingray Edge Red Engine Cover No Longer Available - Last week GM announced the **2023 Corvette** was no longer available to order with the optional Edge Red painted brake calipers (**RPO code H6N**) due to a supplier constraint. Now, it's been revealed the Engine Cover in Edge Red (RPO RCC) is also unavailable on the mid-engine sports car as GM continues to grapple with supplier constraints of various types.

Agreed Value pays You. When a total loss occurs on a vehicle, having proper coverage is the most important aspect. Our customer, Richard A., found himself in a total loss situation in April when he lost control of his Corvette and hit a telephone pole. Richard took out his policy with us when he bought his car brand new in 2016. The Agreed Value placed on the car was for his purchase price of \$69,500. When the total loss occurred in April of 2022, he was paid the full \$69,500. With an Agreed Value policy even when the car depreciates the Agreed Value never changes. Richard got back his investment in full even though the car, at the time of the loss, was around \$15,000 less!

The National Corvette Museum (NCM) and Bowling Green Assembly are pleased to announce plans to resume plant tours of the only facility in the world where Corvettes are manufactured. Tours will go on sale to the public via the National Corvette Museum's website on Tuesday, November 1, 2022. National Corvette Museum members qualify for early booking access, beginning on Tuesday, October 25, 2022. Tour scheduling will take place at the time of purchase with public tours expected to resume before the end of the year.

Car show will be the 2<sup>nd</sup> Saturday in June 2023 @ the Dixie Speedway.

There will be no general membership meetings in January and February, possible board meeting.

The 2023 membership form will be in the newsletter.

Will revisit giving additional money to our charities next year.
