President's Report

Well, here we are in the last days of January in a new year and that is a good thing for a couple of reasons. One, the winter solstice happened December 21, 2022 so the days are getting longer which equals more sunshine. That is one thing I miss about winter in Michigan, sunshine. It will not be long and some of us will be awakening our American sports car from its long winter nap. Others do not put their cars in storage for the winter and drive them whenever the roads are dry. Usually, those days are few and far between in the winter but so far this winter that has not been the case. Whichever camp you are in you do not get the opportunity to drive your Corvette like you do in the summer. If your Corvette is in storage do not forget to pay a visit, rub its fender and whisper in the outside mirror that summer is not far away.

The other good reason for being the end of January is the holidays are over. The holidays are a great time of year to be with friends and family which also makes it a very busy time of year. It can be stressful trying to work around everyone's schedule to have that get together especially if you have family or friends out of state. It was a bad year to be traveling and the weather at Christmas was indeed frightful but on the plus side the bad weather did not last long.

We had our first board meeting on January 4th and there are a couple of events in the planning stages. Paul Kelly is planning Get Your Car Out of Hibernation and the boat trip at Port Huron that was canceled due to a mix up at the boat company. Tim Stone is again planning the fall color tour. I know October seems to be a long time away but it will be here before you know it. Tim is always planning and trying to improve the last event of the Corvette season. Thank you, Paul and Tim, for your efforts and taking on these events.

We still need someone to step up to take on the roll of Social Director. Without a Social Director we are not going to be much of a club. We are a social club and we need someone to keep track of planned events and make sure we have our ducks all in a row. There has been a suggestion that the Social Director only be responsible for two events, The Thankful Feast and Christmas Party. Any other event can be planned and executed by anyone in the club. Have a suggestion or opinion come to a meeting and voice your opinion. Want to remain anonymous, then contact one of the Members at Large.

There is also an opening for someone to chair our annual car show. Again, just because you are chairing the car show does not mean you must do everything. People will be volunteering to help before during and after the show.

Just one more thing to wrap this up. We have three Bill's in the club: Bill Penzer, Bill Prince and yours truly. Sometimes I get confused on which Bill is being addressed. So, to help alleviate some of that confusion please call me Curly. Also, I wear hearing aids which are a great help but they are only an aid. Any environment where there is a great deal of background noise like a restaurant or outside when it is windy the hearing aid amplifies all that noise. Unfortunately, no one has a solution to filter out the noise from human speech. So, in the meetings please speak up just a little so I can understand what you are saying.

Thanks.

Take care and be safe,

Curly

Board Meeting Minutes January 4, 2023

By: Cheryl Vollmer

Meeting Location: Tia Helita's

Meeting called to order at 6:50 p.m.

President: Welcome, thanks for coming.

Need to come up with a date/time for Jerry Gardner, Mark, Mary, Paul, Tim and myself to meet at Dort Financial to get the account switched over. Need to have the LARA receipt, and the November meeting minutes or newsletter. Mary will need to schedule the meeting when we come up with a date.

Still in need of a social director. Mark suggested that the social director would be responsible for just the Thankful feast and Christmas party arrangements. Had some discussion on the role of the social director. Will put in newsletter that we are looking for volunteers.

The LARA renewal was completed on 12/14/2022. Discussed the reason for adding someone on the form that isn't on the board.

Vice President: Not going to chair the car show, has another member in mind and will get with that person to see if they would like to be the chairperson.

Will set up the May get your car out of hibernation cruise and try to get the Port Huron boat cruise scheduled again.

Treasurer: Annual audit needs to be completed. Reported income, expenses, and balance to 12/31/2022.

Cheryl made a motion to accept the treasurer report and it was seconded by Mark, motion passed.

Secretary: Asked if there were any updates or corrections to the November board and general membership meeting minutes.

Mary made a motion to accept the minutes as written and Sue seconded, motion passed.

Membership Director: Currently have 44 members who have renewed, 6 honorary members, and 24 that haven't yet renewed.

Members at Large: Nothing to report.

Social Director: Not yet appointed.

Editor: Will be doing scaled down newsletter until after the first general membership meeting in March.

NCM Ambassador: No report.

Keep in mind the 2023 dues are now late. Please send in so we can plan next year with an accurate membership list. The 2023 membership form is on page 11.

Board Minutes continued from page 5

Webmaster: Email account for the club is no longer free, Go Daddy is charging \$8 month. Sue made a motion for the club to pay for the email account and Cheryl seconded, motion passed.

Old Business: None.

New Business: Habitat for Humanity will be having their Bastille race on July 8 and will be looking for volunteers to work at the race again this year.

Mary made a motion to adjourn, and Mark seconded. Meeting adjourned at 7:50 p.m.
