President: Welcome, glad to see everyone tonight.

Bill Prince has spent some time in the hospital, happy to see him here tonight. Bill Prince updated that he has spent 20 nights in the hospital since Easter and thanked everyone for the cards.

There were 49 registered cars at the show and the weather was good! Thanks to the Little's for donating the little red corvette to be raffled, it raised \$160 for our charities. The lady from the Saginaw club that won the car said she was going to take it to the next meeting her club had. She also said we put on a good show and don't give away junk. Thank you to Jack and Jan and thank you to everyone that came and worked, Great Job!

Several members went to the Lodges of Durand car show and there were several members from FCC. There were like 10 corvettes out of the 14 or so that were there. We went to Sherman's Irish Pub in Vernon for dinner afterwards and some people went across the street for ice cream afterwards.

Marge is passing around a menu for the B2B/appreciation party in August.

There is still room if you decide you would like to go, cost is \$23 pp. Will be leaving from Lucky's in Davison at 9:00, please arrive by 8:45 and bring your radio if you have one. There will be a stop @ Love's in Capac for a bathroom break on the way. President's Report

June was a busy month for Team Corvette. We had a very successful car show with 49 cars in attendance, beautiful weather and we were able to raise \$1100 for our charities. Chuck and Sharon Little donated a child's battery ride on Corvette which was raffled off and the proceeds will also be going to our charities. We had a lot of volunteers working the show and compliments from participants for putting on a good show. Thank you, Andy Suski for allowing us to use the dealership, Jack and Jan for chairing the show, Chuck and Sharon for their donation and to everyone for their hard work. Good Job!

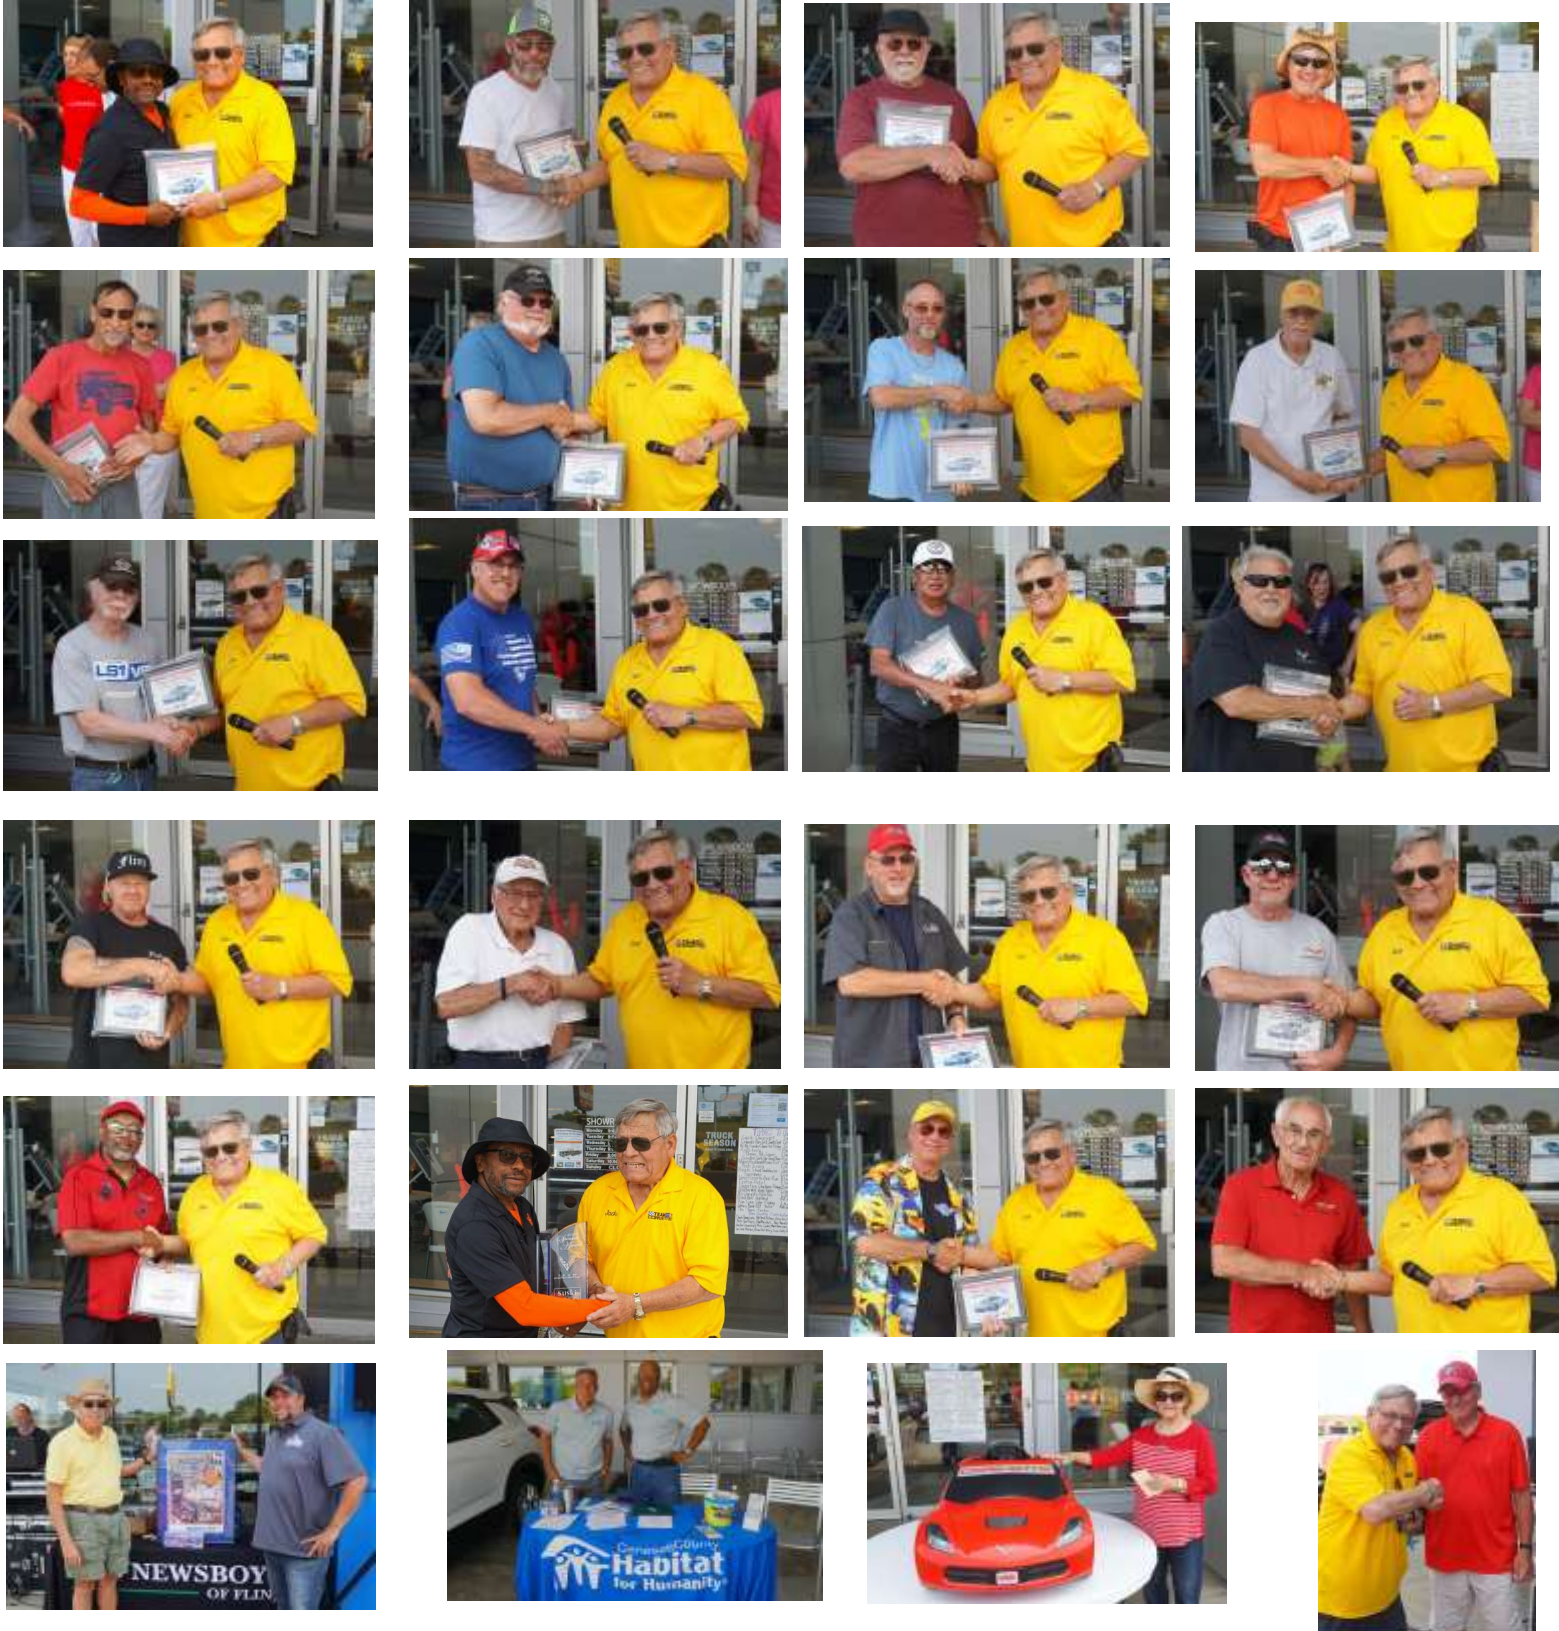

On the 15th five couples went to the Lodges in Durand for their annual car show. We met at Bill and Sue Princes' house and caravanned over to the Lodges. As we pulled into the parking lot our friends from the Flint Corvette Club were also there. So, it turned out that Corvettes dominated the parking lot; it is always a good time. The staff and the residents are always welcoming and happy to see everyone. Unfortunately, the show had to be terminated a half hour early due to Mother Nature depositing some much-needed rain; then it was off to Sherman's Irish Pub for some good food and company along with the Flint Corvette Club. The Village of Vernon's main street was lined with Corvettes. Thank you Bill and Sue for planning this event.

On Saturday the 24th we met at Lucky's Restaurant parking lot in Davison to drive the back roads to Port Huron. There were 12 Corvettes with one belonging to Gary and Heather McKissick from FCC. It was a nice leisurely drive on M-21 and we ended up behind the Edison Inn on the St. Clare River. We had 45 minutes to park our vehicles and get out to stretch our legs. In that time a couple of freighters went by and some scuba divers came up from their dive. Then it was time to get back into the cars and head to downtown Port Huron to board the Huron Lady 2. It was a short walk from the parking lot to the ship. The cruise lasted an hour and a half and we heard some interesting history of Port Huron and saw some freighters go by up close. After docking it was a short walk to the Wings, Etc restaurant where we refreshed ourselves. Then we headed back to M-21 with a stop in Capac for ICE CREAM. It was an absolutely gorgeous and fun day. Thank you, Paul and Marsha Kelley, for all you did to plan this event. From all the posts on Facebook I would say everyone had a good time.

Mark and Renee Lozen were responsible for the raffle table in June and I neglected to acknowledge their contribution. I apologize for that omission and will correct that for future meetings. One observation from past experience is that if there are peanut M&Ms on the table it is game on to win before they are gone. Thank you, Mark & Renee.

In or Out is again working off and on??? We have more events coming up, be sure to check your email frequently to stay on top of current and future events.

Hope everyone has a safe and happy 4th of July. Hope to see you at Mario's on July 20th. Board meeting TBD, July 13 @ 5:30.

Above, left to right. Tony Tucker from Old Newsboys presenting Bob Hall with the winnings. Dave and Dave from Habitat had a set of chairs won by Doug & Diane Pohlod. The mini corvette with new battery donated by Chuck & Sharon Little had a happy winner. Jack Matsko presenting the winner of the 50-50 drawing.
