Board Meeting Minutes: July 13, 2023

By: Cheryl Vollmer

Meeting Location: Mario's

Meeting called to order at 6:35 p.m.

President: Attended Back to the Bricks meeting at Drago's. Team Corvette is responsible for selling the 50/50 raffle tickets at the Corvette Reunion. It is up to the individuals selling the tickets as to whether they want to sell outside of the reunion area or not. If so, they would have to tell people that the drawing is at 3:00 in the Corvette Reunion location and you must be present to win. Need to get approval for the \$500 seed money for Gary at the membership meeting Tuesday.

Mark sent a copy of last years' liability insurance for the appreciation dinner to the same agent that was used last year to get a quote. Will need to get approval for spending that money also at Tuesday's meeting.

Vice President: The membership is getting smaller and older; we need to find a way to get some new members. A bigger effort should be made to recruit new members that may be willing to volunteer for things. Any ideas on how to get some more members? Maybe make up some flyers and pass out at the Corvette Reunion?

Treasurer: Reported income, expenses, and current balance to date.

Paul made a motion to accept the treasurer report and it was seconded by Bob, motion passed.

Secretary: Asked if there were any updates or corrections to the June board and general membership meeting minutes.

Mary made a motion to accept the minutes as written and Paul seconded, motion passed.

Membership Director: Absent.

Members at Large: Bob had nothing to report, Sue absent.

By: Cheryl Vollmer

Meeting Location: Mario's

Meeting called to order at 7:00 p.m.

President: Thank you to the Kelley's for planning the Port Huron trip, everyone had a good time. Thank you to the Prince's for planning the Lodges in Durand and to Vernon to the Irish Pub and ice cream afterwards trip. Again, everyone had a good time. The car show was mostly a corvette show with TC and FCC having about 10 of the 14 or so cars that were there!

Gary Drago needs the \$500 seed money for the Corvette Reunion. Team Corvette will be selling 50/50 raffle tickets. If the tickets are sold beyond the reunion area, then people will need to be informed that the drawing will take place at 3:00 in the reunion location and you must be present to win.

Mark has contacted the insurance company for the liability insurance the night of the B2B viewing/appreciation party.

Motion was made by Tim to pay the seed money and purchase the liability insurance and it was seconded by Dee; motion passed.

CONGRATS to Patty Hull on her retirement!

Thank you to the Lozen's for bringing the June raffle table items. Thank you to the Little's for bringing the July raffle table items.

Vice President: Need to do something to try and generate membership. Maybe print up a flyer to pass out at car shows etc. Paul will try to put something together, table until the August meeting.

President's Report

Well, if you are reading this that means July 2023 is in the rearview mirror and August 2023 is that long stretch of concrete ribbon in front of your Corvette. Where has the summer gone? I guess time fly's by when you are having fun. We have had a lot of good times this summer and August will be a busy month.

August 9th Car Show at Ascension Pace where the clients will be able to see the vehicles after their visit to the facility.

August 15th we will be having our General Membership meeting at the Flint Golf Club and we will be parking on the lawn if weather permits. There will also be the first round of nominations for board members. The second round will be in September with the elections in October.

The very next night, Wednesday August 16th we are having our annual Appreciation Party at the strip mall on the corner of Atherton and Saginaw. The club is buying the chicken. Master Chef Bora Jim will be handling the cooking of the corn. If you have not signed up and would like to bring a dish to pass, please contact Marge Laird to see what is needed. Do not forget your chairs!

Then Friday August 18th is the Corvette meet and greet 5:00 at Brick Street. Saturday it's the really big show in downtown Flint on the bricks. The Corvette Reunion will be on the north end of Saginaw over the bridge. Team Corvette members will be at the show and will be responsible for selling 50/50 tickets so we will need volunteers to help. Details of the time the club will be meeting to caravan in and park together will be discussed at the Appreciation Dinner.

October is rapidly approaching. Tim reserved a block of rooms and the rooms that are not reserved go back to the general public August 24th. As of July 26, there are 11 rooms available.

This keyboard warrior is exhausted with all this typing so I guess it is time for a nap.

Take care, hope to see you all soon.

Curly

P.S. Just heard that Chris Penzer had her hip replacement and all went well! Chris has very little pain and is using a walker; great news.

Team Corvette Travels to Port Huron

It was a great day for a Corvette Cruise to Port Huron. Paul Kelley had made arraignment for a boat trip and dinner after. The weather was perfect, the boat cruise was trouble free and dinner was very good. What could be better? An ice cream stop on the way home. Thanks Paul for a great outing.

Club apparel can be ordered by visiting Image Projections located at 1470 Torrey Road Fenton, MI. They will sew our logo on your item or will sell you an item to be logoed. Call them at 810-629-0710.

We wish Chris Penzer a speedy recovery from her hip replacement.

Jim Schoenfield reported the In or Out has started working again. Jim will try using it but will still use the text messaging system also. Please answer both systems until the In or Out can be trusted. It is a big help knowing how many will attend an event so please reply to the event request.

Comments by and to the editor

At the August general meeting the first round of nominations for our 2024 Board of Directors will take place. We have several board members that are term limited out of their current positions. Please consider serving in one of our seven board positions.

I will be taking our 2023 group photo at the August meeting, lets hope for great weather and a big turn out.

The fall color tour is just around the corner. Looking over the list of people going, the **no response** far out number the in and out total. I hope we all can reply **in or out** to our social event postings. Having a good head count helps plan the event.

The 2023 Appreciation Party has a few changes this year.

The trailer bathroom is not available, a porta john has been rented.

There will not be any electrical power this year for crock pots. Bev Wiley has offered her steno frames and fuel to keep our hot food heated.

Please bring any dishes that will be served hot preheated so they can be transferred into the steno pans. Better yet bring your item in a pan that will fit the frame.

In 2022 we had some chicken left over. The meatballs, and fruit salad were gone fast. We had too many cookies and deserts.

This event is open to anyone that comes in a corvette.
