Comments by and to the editor

Lets have another great year of events in 2024. It all starts with member suggestions of places to see and places to go. I have penciled in a few in our calendar on page 3. Our 2024 annual fall color tour will be mid week in 2024. This is a change from the past, but worth a try. I think it will be after the first weekend in October. Many details need to be worked out.

The January general meeting is on the 16th at Mario's. Several members have gone south already and others are getting ready to go. Hope you can make it. No February meeting. Everyone should be back for the March 16th meeting.

The 2024 Caravan is being planned. Twenty people, ten cars have signed up. Contact Jim Schoenfield for information if interested.

Team Corvette is a Michigan based Corvette club with numerous interests. We have fun with our cars and members. We do day cruises and some out of town events. We are primarily a social club and try to hold events year round in addition to our monthly membership meetings. Giving back to charity is our fund raising focus. We are proud that several thousand of dollars each year have helped the community.

### Our new hand out card.

In an effort to increase our membership numbers we made a hand out card. It is hoped that our members will keep several in their cars. Give them out to other corvette owners or place them on the windshield. Get yours at the next meeting.
