General Membership Meeting Minutes: January 16, 2024

By: Cheryl Vollmer

Meeting Location: Mario's

Meeting called to order at 7:00 p.m.

President: Good to see everybody here tonight, surprised to say the least. I didn't think many people would show up due to the weather and/or being out of town and I did not prepare. There will not be any meetings in February as too many people will be out of town. The group decided that we will get together on February 20 @ 6:00 for dinner at Mario's so if you are interested, we would love to see you there.

There is a sign-up sheet going around for purchasing raffle table prizes for 2024.

We received letters of thank you from Habitat for Humanity and Old Newsboys.

Vice President: There is a boat trip from Port Huron to St. Clair to see the fireworks July 1st or 4th for \$35 pp. The trip on July 1 goes out on the lake no matter what the weather conditions are and the trip on the 4th stays on the river so we would probably prefer the 4th. There is a hotel on the water and we would eat at the restaurant, take the boat ride and watch the fireworks, and then spend the night. The hotel rate is 200-250 per night. The next day we would head back and possibly stop for lunch somewhere.

August 10 is the largest wooden boat show up in Hessel MI, we could go to the show and spend the night in St. Ignace.

Treasurer: Welcome Bev! Reported on income, expenses, and current balance up to the end of December.

Tim made a motion to accept the treasurer report and it was seconded by Paul; motion passed.

Secretary: Asked if there were any updates or corrections to the November board and general membership meeting minutes.

Tim made a motion to accept the minutes as written and Mark seconded; motion passed.

Membership Director: Absent. Currently have 51 members that rejoined.

Members at Large: Welcome Mary and Jerry! Nothing to report.

Social Director: None.

Editor: Newsletter is OK.

NCM Ambassador: No report.

For NCM events and raffles:

For upcoming events: [Events – National Corvette Museum](#)

For current raffles: [Corvette Raffle - Main Page \(corvettemuseum.org\)](#)

Webmaster: Yearly email fee is coming up.

Old Business: Need chairman for the car show June 8 at Suski's race track in Birch Run.

New Business: Bob received in the PO Box an invitation/solicitation from Sleeping Bear Inn for an open house they are having and donations.

Need to start working on the car show flyer to get it out.

Suski Chevrolet has 3 2024 Corvettes on the showroom floor.

Need to do a treasurer's audit in March.

President's Report

We had a nice Christmas dinner at Brick Street and had a lot of people in attendance. A lot of people wore their holiday attire and everyone seemed to have a good time. Marge and Jerry Laird had a huge sheet cake decorated and donated it to the club. Thank you, Marge and Jerry. Paul & Marsha Kelley donated a Christmas poem about a Corvette that was raffled off and the proceeds were earmarked for our charities. Thank you, Paul & Masha.

Our unofficial/official club photographer Bill Prince did an excellent job of getting all the attendee's pictures. Thank you, Bill for your dedication.

It was decided back in November to have a meeting in January and yours truly was not prepared for said meeting. I did not think we would have enough people to have a quorum plus it was bitterly cold. To my surprise 26 people showed up and that ladies and gentlemen is why my head whistles on a windy day. I was with no agenda and no notes so I just winged it. It was interesting to say the least and we are going to try it again next month but just dinner, no meeting. Again, there will be no board meeting in February. So if you don't have anything to do on Tuesday February 20th at 6:00 p.m. come to Mario's break some bread and shoot the breeze with your fellow club members.

Paul Kelley continues to work on the boat trip and fireworks viewing in July. Paul just wanted to remind us that the boat goes out no matter the water conditions. So, if the water is not smooth as glass the boat will sail regardless. Just something to keep in mind. We are planning on staying overnight due to the fireworks not starting till dusk. Mr. Google says sunset is 9:29 p.m. the first part of July. I am guessing the fireworks will probably be 30 to 45 mins, the boat has to come in and dock so it is going to be around 10:30 p.m. before you would be on the road. It takes an hour to get back to Flint barring no construction on I-69. You are welcome to drive back but if you are staying overnight Paul needs to know so he can reserve the rooms.

Mark Lozen had an accident at home and broke his left heel. He is in a boot getting around on crutches. We wish Mark a speedy recovery and a get-well card has been sent from the club. When the weather breaks Mark and you are not able to use that left foot quite yet, I would be happy to take blue out to warm up the engine and the tires. Just a thought.

Hope everyone had a nice Holiday Season with friends and family. I am looking forward to warm weather and being back on the road with all of you.

Drive safe and keep the shiny side up.

Comments by and to the editor

Our 2024 annual fall color tour will be mid week in 2024. This is a change from the past, but worth a try. I think it will be after the first weekend in October. Many details need to be worked out.

No February meeting but a dinner only date at Mario's .

The next general meeting is March 19th at Mario's. There will be many important topics that will be discussed . Hope you can make it.

The 2024 Caravan is being planned. Twenty people, ten cars have signed up. Contact Jim Schoenfeld for information if interested.

Dear Team Corvette,

Genesee County Habitat for Humanity (Genesee Habitat) wishes to thank you for your Check donation in the amount of \$1,850.00. Your generosity is very much appreciated, as it helps provide stable homes for Genesee County families. Genesee Habitat's Homeownership Program provides decent, affordable housing for low to moderate income individuals and families. Our Homeowner Partner families typically do not qualify for a traditional mortgage and are coming from substandard housing conditions, which may include unsafe or overcrowded housing and/or unaffordable rental or utility payments.

Because of your generosity, we are able to address these substandard housing conditions by yearly building or rehabbing 4-6 affordable homes in Genesee County and by providing approximately 200 Genesee County homeowners with critical home repair services. Your gift also helps us invest in numerous neighborhood improvement projects throughout the City of Flint and helps provide free financial housing counseling services and homebuyer education to area residents through our HUD approved program. Your support has made us an anchor in the community and will ensure that we can continue to serve by bringing people together to build homes, community and hope. You truly make a difference.

Thank you,

Thomas Hutchison (Executive Director)

P.S. Volunteer with us on a home build (No Construction Experience Needed), in our Habitat Restore, or at one of our events. **To learn more** about volunteer opportunities talk to our Volunteer Coordinator at volunteer@geneseehabitat.org

*No goods or services were provided in exchange for this contribution. Genesee County Habitat for Humanity is a tax-exempt organization as described in Section 501(c) (3) of the Internal Revenue Code. Our employer identification number (EIN) is: 38-2899387.

Team Corvette is a Michigan based Corvette club with numerous interests. We have fun with our cars and members. We do day cruises and some out of town events. We are primarily a social club and try to hold events year round in addition to our monthly membership meetings. Giving back to charity is our fund raising focus. We are proud that several thousand of dollars each year have helped the community.

Our new hand out card.

In an effort to increase our membership numbers we made a hand out card. It is hoped that our members will keep several in their cars. Give them out to other corvette owners or place them on the windshield. Get yours at the next meeting.

Thanks Suski Chevrolet for supporting the 2023 Team Corvette Charity Car Show
