Celebration of Life for Chuck Little

Honoring a Proud Veteran, Corvette Enthusiast, and Beloved Friend

It is with heavy hearts that we share the news of the passing of Chuck Little, a cherished member of Team Corvette and a devoted advocate for preserving the legacy of America's Sports Car. Chuck's warmth, laughter, friendship, and love he shared touched the lives of so many, and his absence will be deeply felt by all who knew him.

A Celebration of Life & Military Honors will be held in Chuck's memory on Thursday, August 21st at 1:00 p.m., beginning at the Great Lakes National Cemetery in Holly, Michigan, where he will be honored with full military rites. Following the ceremony, family and friends are invited to gather and share memories at the American Legion Post 267, located at 10309 Davison Road in Davison, MI.

Chuck proudly served his country during the Vietnam War as a member of the U.S. Army Security Agency (ASA) and exemplified the values of integrity, loyalty, and quiet strength throughout his life. He leaves behind his beloved wife Sharon, with whom he shared nearly 62 wonderful years, and their loving daughter Jill, who brought endless joy to their lives.

He was more than a veteran and Corvette enthusiast, he was a proud man, a devoted husband and father, and a loyal friend to many. His legacy will continue to live on through the memories we all carry.

Our thoughts and prayers are with Sharon, Jill, and the entire Little family during this time of remembrance and reflection.

Rest in peace, Chuck. You will be truly missed.

Presidents Report

Bill Vollmer

The trip to Hell was a fun filled day. Once we arrived pictures were taken and then we invaded the souvenir shop and picked up our mementos of the visit. Then we jumped back into our chariots and off we went to the twisties. As soon as Cheryl saw the road curve warning sign that looked like a giant snake she said "I am closing my eyes" and she grabbed on to the door pull. I heard several drivers say we should turn around and do that again! We then arrived at Zukey Lake Tavern and had a great lunch, then it was off to Lingenfelter's Collection. They had lots of cool cars and merchandise. It was a good day of driving and hanging out with good people. Thank-you Ron & Cheryl Reardon and Jeff Boyer for putting it all together.

The following Thursday we met at the old Kmart parking lot in Clio and took the back roads to Reese to Papio's Food and Spirits for another fantastic meal. The beer wall was impressive and unique. Another fun trip with good people. Thank-you Paul and Marsha Kelley for making all the arrangements.

Due to Back to the Bricks and the Pace car show, our meeting schedule has been altered. Normally we have our board meeting on Thursday which is August 7th, but due to the Pace Car show on the 7th the Board meeting will be Wednesday August 6th at Legends Tavern in Fenton at 6 p.m.

If you are attending the car show at Pace Ascension Living in Flint on August 7th, the address is 3801 W. Boulevard Dr., Flint, MI 48505.

If you plan on attending the August membership meeting, do not forget it is Tuesday August 12th at the Flint Golf Club and weather permitting we will park on the lawn.

Thank-you to Mark & Renee Lozen for the raffle table in July.

Chuck Little's Celebration of Life & Military Honors will be Thursday August 21st at 1 p.m. starting at the Great Lakes National Cemetery in Holly. Afterwards, there will be a gathering at the American Legion Post 267 10309 Davison Rd Davison Mi.

Old McDonald had a farm e-i-e-i-o

On his farm he had a cow, a pig, a duck and a chicken e-i-e-i-o.

A rumor was spreading around the McDonald farm that the grass was greener, the mud was more plentiful, and the duck and chicken feed was more abundant on the farm across the road. The chicken decided to cross the road to investigate. The chicken's investigation revealed the rumors were not true but just the opposite. The grass was not greener; there was less mud, and there was far less duck and chicken feed. The chicken decided to return to the McDonald farm. Every time one of the chicken's friends decided to take the perilous journey to cross the road the chicken told them of the results of the investigation. That Ladies and Gentlemen is why the chicken crossed the road. e-i-e-i-o

Curly

Thank you Ron and Cheryl Reardon for the breathtaking, twisting and winding cruise to Hell and back!

Team Corvette Hits the Winding Roads of Hell, Michigan!

On July 16th, Team Corvette took on one of Michigan's most legendary driving routes, through the twisty, rolling roads of Hell, Michigan. Known as a favorite testing ground for Car and Driver magazine's expert drivers, these roads offered the perfect combination of curves, climbs, and scenic views to put our Corvettes through their paces.

With engines humming and tires gripping tight, our group cruised through the turns with smiles all around. It was more than just a drive—it was an experience that celebrated the spirit of performance, camaraderie, and the thrill of the open road.

Hell might have been the destination, but the ride was pure heaven.

The twisty roads stirred up an appetite. Team Corvette members gathered for a scenic cruise and a delicious lunch at the always-popular Zukey Lake Tavern. The weather was perfect, the Corvettes were shining, and the friendship was even better. With great food, beautiful lake views, and plenty of laughs shared around the table, it was another memorable outing for the club.

LINGENFELTER
COLLECTION

Later that day, Team Corvette had the incredible opportunity to enjoy a private viewing of the world-renowned Lingenfelter Collection. With over 100 rare and exotic vehicles on display, including Corvettes, muscle cars, and high-performance supercars, it was an unforgettable experience brought out the wide-eyed car enthusiast in all of us.

Special thanks to Ken & Kristen Lingenfelter for opening the doors and sharing their passion with our club. Events like these remind us why we love being part of Team Corvette, great cars, great people, and memories that last a lifetime.

Thank You to Ron & Cheryl Reardon along with Jeff Boyer

Our thanks to Ron & Cheryl Reardon, and Jeff Boyer for doing the planning...you did a great job!!

Also thanks to Ron & Cheryl for opening their beautiful home to everyone at the end of the day. We avoided the heavy, end of the day traffic, while relaxing, and enjoying refreshments and time spent with great friends!!
