## Member Spotlight:

### Kerry Gardner — Making History as Team Corvette's First Lady President!

This year marks a milestone for Team Corvette. Kerry Garner has become the first woman to take the helm as President of Team Corvette, a club that's been cruising, fundraising, and fueling Corvette camaraderie since 2000.

Kerry and Jerry Gardner joined the club in 2015 and quickly became a active part of the clubs activities.

Since 2015, Kerry has been one of those members who quietly makes big things happen. The kind of person who jumps in with both hands (and often with spare raffle tickets in her pocket). Team Corvette wouldn't be what it is today without members like Kerry, through her dedication, passion, and that unforgettable laugh echoing at every meeting and event.

From day one, Kerry hasn't just been another member, she's been a driving force:

- Volunteer Extraordinaire: Kerry has been instrumental in fundraising, organizing, and collecting donations for our annual car shows — events that not only spotlight our Corvettes but support local charities and bring our community together.
- Board Member: Long before before becoming our President, she served actively on the board, always stepping up when something needed doing... and often before anyone even realized it needed doing.
- Club First, Club Always: When it comes to the well-being of Team Corvette and its members, Kerry has consistently put the club first, whether that's helping new members feel welcome or stepping in to ensure an event runs without a hitch.

## Thank you for taking the Lead!

As our first female president, Kerry brings not only her love of Corvettes but also a heart for service and a knack for making every member feel welcome.

Cheer's to a year full of great drives, bigger laughs, and more memories, all under Kerry's leadership!

**So please join me in Congratulating Kerry at our next meeting!**

# National Corvette Museum (NCM) Ambassador

**Jim Schoenfield**

The National Corvette Museum exists for one reason: to preserve, celebrate, and share the legacy of America's Sports Car. Every Corvette tells a story—of innovation, performance, and the people who made it possible—and the Museum brings those stories to life.

From iconic production models and rare prototypes to racing legends and Hall of Fame inductees, the Museum offers an experience that goes far beyond a traditional car display. It's a place where Corvette history is honored, current achievements are showcased, and future generations are inspired.

Whether it's walking through the Skydome, learning about Corvette Racing, or seeing how design and engineering have evolved over the decades, a visit to the Museum reminds us why the Corvette community is so special. It's not just about the cars—it's about the passion, pride, and people behind them.

As Corvette owners and enthusiasts, supporting the National Corvette Museum helps ensure this legacy continues for years to come. If you've never visited, consider adding it to your bucket list. If you've been before, you already know—there's always something new to see.

Preserving the past. Celebrating the present. Driving into the future.
